Milwaukee Yacht Club Adult Sailing

MYC Adult Sailing School

The Program

Milwaukee Yacht Club offers a Learn to Sail program specifically designed for adults. This program delivers an excellent educational experience exposing participants to the fundamentals of sailing as well as the more advanced sailing techniques necessary for racing.

The Boats

The Adult Learn to Sail program uses Milwaukee Yacht Club's fleet of IDEAL 18s. The IDEAL 18 is a keelboat with an overall length of eighteen feet and comfortably seats four adults. Of it 1200 pound weight, 700 pounds rest in the keel, making it a very stable boat. The Club's fleet of IDEAL 18s is moored in the MYC channel, fully rigged. You can be underway and sailing in five minutes or less.
